

1. From the laptop or mobile device, switch on your Wi-Fi.
2. Choose “AlwaysOn” from the available Wi-Fi connections and click on “Connect” and the “AlwaysOn” home page will automatically open.

3. AlwaysOn page will open, click on “Register” if you have never registered before, if you have, click on “Login” and use your login details.

The screenshot shows the AlwaysOn website interface. On the left, there is a login form with the following elements:

- Buttons for "Use complimentary access (500MB per day)", "Buy premium access (to use at all hotspots)", and "Redeem Prepaid Card".
- A "Login with AlwaysOn" section with a user icon.
- Input fields for "Email address / Username" (containing "name@domain.com") and "Password".
- A checkbox for "Choose a different service provider".
- "Login" and "Remember me" buttons.
- A "Register" button, which is circled in red.
- A "Forgot password?" link.

On the right, a promotional banner features:

- A "REWARDS" tag.
- Text: "UPGRADE TO 2 GIG FREE WIFI SIGN UP NOW" with a right-pointing arrow.
- An image of a "TSOGO SUN HOTELS" prepaid card.
- A banner that says "EARN • SAVE • ENJOY".
- Text at the bottom: "For more information log onto tsogosun.com T's & C's apply".

4. Fill in all requested information and use your **personal email account** e.g. Hotmail, Gmail, etc, and not your **corporate email account** as you have to **authenticate your account** via a link that will be sent to the email account by AlwaysOn
Once all the information is filled, click on “Register”
